Tuesday, 2/28 @ 4:00PM: Lego Club

DID YOU KNOW?

"February" is one of the most misspelled words in the English language! If you were born in February, your birthstone is an amethyst, and your flower is a primrose. The name of February comes from the Latin word "februum," which means purification.

"Librarians are tour-guides for all of knowledge."
-Patrick Ness

Have you heard? Mayor Henry Balensifer proclaimed February 2023 as "Love Your Library Month" in the city of Warrenton. We've posted the proclamation throughout the library - if you'd like a copy to take home, just ask a library staff member!

New items are arriving in our Library of Things, thanks to generous community member donations! Keep an eye out for new puzzles, games, and items like a bocce ball set and walkie-talkies.

Science Club starts in March, on the 1st and 3rd Tuesdays of the month at 4:00pm. Come try out fun science, technology, engineering, and math experiments!

Did you know storytime is now three times a week? 10:30AM storytimes are held on Wednesday and Saturday mornings, and 1:00PM storytimes are held on Friday afternoons. Join us for half an hour of reading, rhyming, songs and movement, then stay for half an hour of free play and socializing in our children's area!

Young Readers Book Swap March 2, 3 & 4, open-close!

Starting February 1st, bring your donations of gently used baby, children's, and young adult books to the library for our first Young Readers' book swap! We will accept donations of fiction, nonfiction, graphic novels, easy readers, magazines, and coloring or activity books. We are happy to provide donation receipts for your contributions.

All materials in the swap will be free to take.

No donation is necessary to participate - come and "shop the swap" from March 2nd through March 4th.
