LOCAL AUTHOR SUSAN GRACE BANYAS

Susan Grace Banyas has worked extensively as a dancer, writer, and performance artist since 1976, when she co-founded SO&SO&SO&SO, a multi-media model for creative practice and cultural collaborations. In collaboration with four other artists, she ran Dreams Well Studio, 1990-2002, a modest, lively petri dish for performance experiments. She developed and taught soul stories, everyday dancing, and performance lab, forms that integrate words, images, and movement into physical poetry.

The first ball drop in Times Square was in 1907!
The Times Square ball is 12 feet in diameter and weighs 11,875 pounds. January 1 was declared the official first day of the new year in 46 BC! The Dutch believe eating donuts on New Year's Day will bring good luck. A literal ton of confetti is dropped on those celebrating the new year in Times Square!

FOR THE FIRST TWO WEEKS OF 2023, ALL FINES WILL BE FORGIVEN. START 2023 FINE FREE.

If possible, please bring a donation of food for our community food pantry. No one will be turned away for lack of a donation. Speak with a library staff member for more information about fine and lost item forgiveness.
