Lego Club (All Ages)

Did you know?

The first known official celebration of Saint Valentine's Day took place in Paris on February 14, 1400

The oldest record of a Valentine is a poem Charles, the Duke of Orleans, wrote to his wife when he was imprisoned in the Tower of London in 1415, in which he refers to his wife as his "Valentine."

In 1537, England's King Henry VIII officially declared February 14 the holiday of St. Valentine's Day by royal charter. (And yes, he is the monarch who had six wives: one who died, one who survived, two who he divorced, and two who he beheaded.)

Show Our Library Some Love!

Did you know that February 2023 will be officially declared "Love your Library" month in the city of Warrenton? Here are some ways that you can show our library some love!

❤ **Write us a Valentine** ❤
Fill out a "I love my library" slip and let the community know what you love about WCL! We'll tape it up on the front door for everyone to see.

❤ **Grab a button!** ❤
We have free buttons available at checkout with library positive quotes and designs. Snag one and wear it with pride!

❤ **Use the Library** ❤
Check out books online, place holds, participate in programs, and spend time at the library. The more you use the library, the more we can make the library a place for you!

❤ **Tell Your Friends** ❤
If you support the Warrenton Community Library, let your friends know! Share events that are happening, let your community know what you love about the library, and show your support.

❤ **Volunteer** ❤
We can always use more volunteers for our team. Come help with projects, circulation, or shelving. Talk to a staff member for more information.

❤ **Donate** ❤
In addition to monetary donations, the library accepts donations of gently used books, dvds, cds, board games, toys, and Legos.
