Trivia Time!

Did you know every part of the pumpkin is edible, including the skin, leaves, flowers, and stem!

By popular request...

If there's a book coming out that you're excited to read, a board game you want to play, or a movie you can't wait to watch, we want to add it to our collection! Ask for an item request slip at the circulation desk, and we'll purchase a copy of the title or item. We'll even create a hold for you so you'll be the first in line to check it out!

LIBRARY PRESS

October 2022 | 3rd edition

What's New?

Free At-Home Tests Available

WCL is now a pick-up point for at home Covid-19 tests. Tests are available free to take inside the library.

General Election and Voters' Pamphlets

The Oregon General Election is November 8th! Clatsop County Voters' pamphlets are available to pick up at the library.

Book Club For Young Adults Starting in January!

If you're interested in joining our Young Adult book club starting in January (or you know anyone between the ages of 12-18 who'd like to join) please scan the QR code to fill out our survey! We want to have books YOU want to read!

Help Us Weed!

Did you know that some titles in our library never get checked out - even ones by popular authors? The process of deciding what stays in the collection and what goes is called "weeding".

If you'd like to, check out one of our never-circulated books from the display next to checkout. When you're done, fill out a review bookmark to let us know what you think - is there a reason no one checked these titles out?
